Descripción

*"Un libro abierto es un cerebro que habla;
cerrado un amigo que espera;
olvidado, un alma que perdona;
destruido, un corazón que llora".
(proverbio hindú)*

Soñando Cuentos: A story about the power of imagination and the importance of reading. The story is set in a world where dreams and reality are intertwined. The main character is a young girl who discovers a magical book that allows her to travel through time and space. She encounters various characters and adventures, learning the value of courage, friendship, and the power of the written word. The story is a beautiful exploration of the human imagination and the role of literature in our lives.
