

Como ya dije en el trabajo del Tema II quiero empezar experimentando con el material que me proporciona la misma editorial de los libros de texto de mi Centro que posee una página web con material **ad oc** para reafirmar los contenidos que se pretenden lograr en las unidades estudiadas.

La editorial que utilizamos en toda la E.S.O. de mi instituto es Macmillan y la dirección que tenemos para poder acceder a su página es [www.mac-english.com/msc](http://www.mac-english.com/msc), además cada alumn@ tiene una clave y un password personales que le permiten la entrada a dicha página web.

Como ejemplo mis claves son **mapona1711** y mi password **7078**.

Me permite entrar a todos los niveles de la E.S.O. de la Editorial.

Elijo el nivel 2º de E.S.O, que es el nivel que enseño este año.

Me ofrece una variedad de ejercicios y actividades, comienzo con la Unidad 1ª, dada en Octubre y ya evaluada.

Hay ejercicios de **Gramática:**

- . To be and have got 1
- . To be and have got 2
- . Present Simple 1
- . Present Simple 2
- . Questions Words 1
- . Questions words 2

De **vocabulario:**

- . Physical Description Adjectives
- . Everyday activities

Cada unidad posee, además, un **Listening**, un **Reading** y un **Quiz** (especie de Evaluación). Todo eso se puede comprobar entrando en dicha página web.

Cada unidad tiene también un apartado de **Exercises, Games, Internet Projects** o la posibilidad de visitar **This Month Online**.

Estas actividades se pueden hacer en casa como refuerzo de la Unidad.

**Exercises:** Hay varios tipos de ellos: **Gaps, Choice list, Multiple choice, Jumble, Matching y Text boxes**.

**Games:** Podrás escoger entre siete juegos muy divertidos

**Internet Projects:** Son actividades diseñadas para que puedas navegar por auténticos sitios web en inglés y contestar algunas sencillas preguntas.

**This Month Online :** No contiene actividades, pero encontraras cosas muy interesantes para leer.

Estos apartados están adaptado a cada uno de los niveles de la E. S. O.

He bajado los ejercicios de la unidad 1ª de 2º de E.S.O. Los he hecho para ver los posibles errores y el tiempo que se tardaría en llevarlos a cabo.

Dicha página web va evaluando el resultado de los ejercicios y te ofrece, si hace falta, la información gramatical o necesaria para su correcta realización. Además aporta, como último ejercicio, una actividad resumen de lo anteriormente dado que puede servir muy bien como **evaluación**.

Como tenemos un Aula Multimedia en el Centro todos los ejercicios se pueden llevar a cabo en ella.

Les pongo los ejercicios en el **RETROPROYECTOR**, los alumnos deben copiarlos y resolverlos (o puedo dárselos escritos para que ellos sólo tengan que escribir las respuestas). Posteriormente pueden intercambiarse las soluciones y finalmente se las muestro en el proyector para que las corrijan.

Uso varios tipos de actividades: de Gramática, Vocabulario, Listening, Reading y acabo con un Quiz que pueden hacer en su aula normal como Evaluación de la actividad.
