

# ORAL PRESENTATION: CHANGES

IN THIS ACTIVITY, YOU WILL HAVE TO TELL YOUR CLASSMATES ABOUT HOW YOUR LIFE HAS CHANGED SINCE YOU WERE A CHILD. YOU MUST ANSWER THESE QUESTIONS:

- What did you use to do as a child, and you don't do anymore?
- How have you changed your style (hair, clothes)?
- Do you live in the same city/neighborhood/apartment?
- Do you hang out with the same people?
- Do you listen to the same music?
- Do you have the same hobbies?
- Describe any other things that are different now.
- You can include an anecdote! That will mean extra credit

REMEMBER THAT YOU MUST INCLUDE VISUALS. YOU CAN MAKE A POSTER, A POWER POINT PRESENTATION OR ANYTHING THAT OCCURS TO YOU.

YOU WILL BE ASSESSED ACCORDING TO THIS RUBRIC:

	Creativity	Language	Completeness	Oral skills
Score 5	Plenty of visuals are used. Original, clean, attractive.	You use at least 20 new words. You use grammar correctly.	Done in due time. All information is included.	You have practiced it and present it fluently, with no hesitation.
Score 3	Some visuals are used. Not much interest shown.	10-15 new words are used. Some grammar mistakes	Some information is missing.	You only practiced a little. You don't know how to pronounce a few words.
Score 1	No visuals. Smudges can be seen. Done in a rush.	0-5 new words. Grammar mistakes which prevent understanding	Turned in late. Incomplete.	You haven't practiced at all. We can't understand what you're talking about.
