1. This is an ordinary day in the life of Adrian. Complete his words. Use a different verb each time:

I always __________ very early and never _________ to bed late. My breakfast is simple and healthy, I normally __________ cereals and ___________ fruit juice. I work in the afternoon, so in the mornings I _________ free to do many things: on Mondays and Wednesdays I ___________ sport, on Tuesdays I ___________ the shopping, on Thursdays I _________ the house and on Fridays I _________ on my computer. At weekends I normally _________ at home and _________ my friends to my house. We normally ___________ a video or just _________ about our problems.

2. Interview Adrian, write **seven questions** you would ask him in connection with seven different sentences in the previous text:

1. How.................................? 
2. Where .................................................? 
3. How long .........................................? 
4. When .................................................? 
5. What .................................................? 
6. Why .................................................? 
7. How many ..........................................? 

3. Convert five sentences from exercise 1 into **negative** sentences:

.......................................................................................................................... 
.......................................................................................................................... 
.......................................................................................................................... 
.......................................................................................................................... 
..........................................................................................................................

5. Imagine a conversation between you and a friend at school. Choose someone from the same school (a student or a member of staff) and write a conversation about that person’s personality. Write ten sentences minimum.
