CULTURE CORNER
7 Read the text about St George’s Day.

WHEN IS ST GEORGE’S DAY?

Saint George is the patron saint of England. Saint George's Day is England's national day. In pictures, Saint George is usually sitting on a horse, killing a dragon.

Saint George's Day is celebrated in spring, on April 23rd. English people do not have a national holiday on this day, but many towns and cities in England have multicultural festivals and parades on Saint George's Day.

Saint George is also the patron saint of Moscow, Malta, Catalonia and Portugal, among others.

8 Are the sentences True or False?

a. Saint George isn’t the patron saint of England. ___
b. Saint George is usually riding a motorbike. ___
c. English people celebrate St George’s Day in summer. ___
d. English people don't work on St George’s Day. ___
e. Saint George is the patron saint in other countries. ___
